

# Natheer Allami

---

## PROFESSIONAL OBJECTIVE

---

I am a hardworking and dedicated Information Systems graduate with a proven track record of striving for continuous improvement, working collaboratively within a team and maintaining a strong business acumen. Through my years of experience and time studying, I have been able to successfully adapt to changing priorities while utilising exceptional communication skills and the ability to learn quickly. I am seeking an entry level IT position where I am able to implement my knowledge and further develop my capabilities, and believe I would make a fantastic contribution to your team and workplace.
